Expression of Interest for conducting Online Examinations

About 10,000-12,000 candidates are expected to take the examinations to be held in major cities across the country in the month of April/May 2010. The agency must indicate the centres in major cities with capacity to conduct the exams in a day. Number of terminals available at each exam centre, time required for scrutiny of applications, data feeding, issuing hall tickets, preparation of question bank, preparation of results etc., per unit cost must be indicated. Preparation of prospectus with the guidance and approval of RCI and its printing will be the responsibility of the agency.

The medium of exam would be English, Hindi and regional languages. The basic qualification of candidates would be 10th and 10+2 for certificate and diploma respectively. The questions could be multiple choice and true/false. Unique question papers are to be generated for each candidate. This will be a two hour paper with 100 questions. There would be no negative marking for wrong answer and each correct answer will get one mark, thus the maximum marks would be 100. Large fonts/contrast fonts will be used for candidates with low vision.

Last date for submission of proposal is **21st December 2009 up to 4 PM.**
